To: All Junior Police Academy participants & their parents/guardians

From: Det. Chris Liptak

Subject: Code of Conduct/Dress Code

In order for the Junior Police Academy to run properly it is necessary to institute a set of regulations, which will be known as the Code of Conduct. We understand that the students are children and instructors will be judicious in imposing penalties for violation of the Code. Penalties may include light physical exercise, such as additional physical training or writing a letter of apology. In severe cases, the child will be expelled. In no case will a child be pushed anywhere close to his or her limit physically. Each child and their parent/guardian are required to read the Code and sign an acknowledgement.

No student shall strike, kick, push or otherwise assault another student or instructor.

No student shall ridicule or degrade another student or an instructor. Making derogatory comments directed at another's race, religion, ethnic background, handicap or gender is strictly prohibited. Use of obscene, vulgar or profane language will not be tolerated.

All students are to obey all instructions given by an instructor, including guest instructors. Students will answer all instructors, guest speakers and academy adults with "Yes sir/Ma'am or No sir/Ma'am!"

As this is a Junior Police Academy designed to give the students a taste of a real police academy, all students shall address their instructors by their proper rank. The different ranks and protocols are explained to them on the first day.

Students are required to report to an instructor any injuries they receive at the Junior Police Academy as soon as possible after the injury has occurred.

Students are required to report any violations of this Code of Conduct by another student to an instructor immediately and to answer all questions posed to them truthfully by an instructor concerning a violation of this Code of Conduct whether by the student or by another student.

Students are prohibited from otherwise violating any state statute or Borough Ordinance while attending the Junior Police Academy.

Students are required to wear at least one of the Junior Police Academy shirts that were furnished to them. The shirt must be tucked into their shorts at all times. Hats that are issued are mandatory every day. Student uniform will be kept neat and clean on a daily basis. Students are not permitted to wear jewelry for their own safety and the safety of others; unless for religious reason. Students are also required to wear sneakers and blue shorts. Exceptions may be granted if there is a compelling medical reason.

Students must remain within close proximity of an instructor at all times and may not wander off unless given permission by an instructor to use a restroom. If such permission is granted, the student must rejoin the class as soon as possible after completing the use of the restroom.

Students must participate in light exercise as part of the daily routine. They also may be required to do push-ups, sit-ups, jumping jacks or running as punishment for a minor violation of the Code of Conduct. As noted above, the child will not be pushed to their limits. A doctor's note is needed to be excused from any physical activity.

This year's academy will be held July 10-14 and July 17-21, at Elmwood Park Memorial High School 375 River Drive EPNJ 07407.

Parents agree to drop their children no earlier than 8:45am and no later than 9:00am on each day the Academy is in session. Parents agree to pick up their children no earlier than 2:45pm and no later than 3:00pm at the designated location on each date the academy is in session unless they have indicated on the application that the child may walk home. Parents may of course pick up their children earlier if necessary due to illness or emergencies.

Continued...

Parents agree to pick up their children within 1/2 hour in the event their child becomes ill or the child is expelled from the academy. The parent/guardian and student agree that all disciplinary matters are at the complete discretion of the Elmwood Park Police Department. Students who are within walking distance of Elmwood park High School may walk to the school and/or walk home from school only if the police department is first provided with a letter authorizing the child to do so or the parent has indicated that the child may walk home on the application by checking the appropriate box and signing the form.

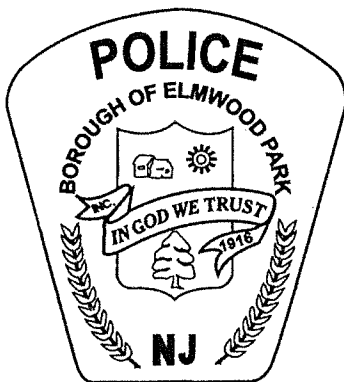

If a student is authorized to be picked up by a person other than the parent or guardian, the parent/guardian must authorize that person in writing to pick up that person and provide the police department with the letter. In the event a custodial parent/guardian does not wish to have a non-custodial parent/guardian pick up the child, the custodial parent/guardian must provide a letter to the police department indicating this. They must also provide a legible copy of the court order indicating that they have sole custody of the child.

STUDENT BEHAVIORAL CONTRACT

The purpose of this contract is to inform the student that he/she must comply with all provision of the EPPD Junior Police Academy and to the specific terms set forth in this contract. Due to the nature of this academy there WILL be “zero tolerance” for any/all rule/regulation infraction or violation. Undesirable conduct such as dangerous horseplay, bullying, rude behavior to fellow student/instructors, and violation of dress code and possession/use of tobacco products, alcohol or drugs on academy property will result in immediate removal of the student from the EPPD junior academy. This contract represents an agreement by the student and student’s parent (or primary care giver) that he/she has received a copy of the Code of Conduct and agrees to adhere to this code at all times in the academy, at home and at school. We have read the above and agree to comply with its terms.

- ~ Parents will take the time to open the lines of communication with the recruit EACH evening.
- ~ Parents will make sure the recruit is in charge of their own equipment.

Communication Requirements

Each night the recruit WILL educate the parent about everything they learned at the Academy that day. They will explain in detail the lessons learned at the academy and all pertinent information learned during the course of the day.
