BE IT ORDAINED by the Borough Council of the Borough of Elmwood Park, in the County of Bergen, State of New Jersey, as follows:

Section 1. The Borough of Elmwood Park, in the County of Bergen, State of New Jersey (the "Borough") is hereby authorized to undertake the improvement of 13th Avenue and 14th Avenue (each from East 53rd Street to East 55th Street), including road resurfacing, construction of ADA compliant sidewalk ramps and drainage, curb and sidewalk improvements, where necessary, in, by and for the Borough. Section 4. It is hereby determined and stated that moneys exceeding \$10,000, appropriated for down payments on capital improvements or for the capital improvement fund in budgets heretofore adopted for said Borough, are now available to finance said purpose. The sum of \$10,000 is hereby appropriated from such moneys to the payment of the cost of said purpose.

Section 5. To finance said purpose, bonds of said Borough of an aggregate principal amount not exceeding \$190,000 are hereby authorized to be issued pursuant to the Local Bond Law. Said bonds shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law. Section 7. Each bond anticipation note issued pursuant to this ordinance shall be dated on or about the date of its issuance and shall be payable not more than one year from its date, shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law and may be renewed from time to time pursuant to and within limitations prescribed by the Local Bond Law. WITHIN THE BOROUGH OF ELMWOOD PARK**

WHEREAS, on February 22, 2021, Governor Murphy signed into law PL. 2021, c. 16, known as the "New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act" (the "Act"), which legalizes the recreational use of marijuana by adults twenty-one (21) years of age or older, and establishes a comprehensive regulatory and licensing scheme for commercial recreational (adult use) cannabis operations, use and possession; and,

WHEREAS, the Borough Council of the Borough of Elmwood Park adopted Ordinance which established that two (2) Class 5 Cannabis Retailer licenses would be available for a cannabis establishment to operate within the Borough (the "Ordinance"); and

WHEREAS, the Borough's Ordinance created a Cannabis and Marijuana Administrative Board (the "Board") to act as the local Agency to process and administer the licensing procedures for the Borough and to make recommendations regarding same for submission to the Borough Council; and

WHEREAS, the Ordinance further established that the Cannabis Retail licensee be required to site his, her or its establishment within a designated area of the Borough known as the Cannabis Overlay Zone; and;

**RESOLUTION URGING THE SWIFT PASSAGE OF S-330/A3804, WHICH SHALL
RESTORE THE ENERGY TAX RECEIPTS TO MUNICIPALITIES**

WHEREAS, taxes on gas and electric utilities were originally collected by the host municipalities to be used for local purposes and to compensate the public for the use of their rights of way; and

WHEREAS, when the State made itself the collection agent for these taxes, it promised to dedicate the proceeds to municipal property tax relief; since, just as municipalities collect property taxes for the benefit of school districts, counties, and other entities, the State is supposed to collect Energy Taxes for the benefit of municipal governments; and

WHEREAS, for years, though, State budget makers have diverted funding from Energy Taxes to fund State programs; and instead of being spent on local programs and services and used to offset property taxes, the money has been spent as successive Legislatures and Administrations have seen fit; and

WHEREAS, the diversion of dedicated energy tax receipts to the State's General Fund further jeopardizes this critical property tax relief funding in future years; and

WHEREAS, by reducing Consolidated Municipal Property Tax Relief Act (CMPTRA), which is also comprised of revenues that should be returned to municipalities, State Budget makers have been able to continue collecting Energy Taxes, while keeping additional revenue that should have been returned to provide property tax relief; and

WHEREAS, the cumulative impact of years of underfunding has left many municipalities with serious needs and burdensome property taxes; and

WHEREAS, local elected officials are in the best position to decide the best use of these resources, which were always intended to fund local programs and services; and

WHEREAS, Senator Singleton and Senate President Scutari have introduced legislation (S-330) that will restore, over a five-year period, Energy Tax Receipts to municipalities;
