ORDINANCE NO.: 23-30**

ORDINANCE ADDING SECTION 37-2, ET SEQ., “MANDATORY DEVELOPMENT FEE” TO CHAPTER 37 “AFFORDABLE HOUSING” OF THE MUNICIPAL CODE OF THE BOROUGH OF ELMWOOD PARK.

§37-2 MANDATORY DEVELOPMENT FEE

§37-2.1 Purpose

This article establishes standards for the collection, maintenance, and expenditure of development fees that are consistent with COAH's regulations developed in response to P.L. 2008, c. 46, Sections 8 and 32-38 (N.J.S.A. 52:27D-329.2), the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 8.7), and the Borough's 2018 Settlement Agreement with Fair Share Housing Center (BER-L-6375-15). Fees collected pursuant to this article shall be used for the purpose of providing very-low, low- and moderate-income housing in accordance with a Court-approved spending plan.

§37-2.2 Basic Requirements

- a. This chapter shall not be effective until approved by Superior Court.
- b. The Borough of Elmwood Park shall not spend development fees until the Court has approved a plan for spending such fees (spending plan).

§37-2.3 Definitions

The following terms when used in this Ordinance shall have the meaning given in this Section.

“Affordable Housing Development” shall mean a development included in the Housing Element and Fair Share Plan, and includes, but is not limited to, an inclusionary development, a municipally-sponsored construction project or a 100% affordable housing development.

“COAH or the Council” shall mean the New Jersey Council on Affordable Housing established under the Fair Housing Act, or any successor agency charged with the administration of the Act.

“Court” shall mean the Superior Court of New Jersey, Law Division, Bergen County.

“Developer” shall mean the legal or beneficial owner or owners of a lot or of any land proposed to be included in a proposed development, including the holder of an option or contract to purchase, or other person having an enforceable proprietary interest in such land.

“Development Fee” shall mean money paid by a developer for the improvement of property as authorized by Holmdel Builder's Association v. Holmdel Borough, 121 N.J. 550 (1990) and the Fair Housing Act of 1985, N.J.S.A. 52:27d-301, et seq., and regulated by applicable COAH Rules.

“Equalized Assessed Value” shall mean the assessed value of a property divided by the current average ratio of assessed to true value for the municipality in which the property is situated, as determined in accordance with Sections 1, 5, and 6 of P.L. 1973, c. 123 (N.J.S.A. 54:1-35a through c).

“Green Building Strategies” shall mean strategies that minimize the impact of development on the environment, and enhance the health, safety and well-being of residents by producing durable, low-maintenance, resource-efficient housing while making optimum use of existing infrastructure and community services.

§37-2.4. Residential Development Fees

- a. Imposed Fees.
 1. Within all districts, residential developers, except for developers of the types of development specifically exempted below, shall pay a fee of 1.5% of the equalized assessed value for residential development, provided no increased density is permitted.
 2. When an increase in residential density is permitted pursuant to a "d" variance granted under N.J.S.A. 40:55D-70d(5), developers shall be required to pay a "bonus" development

fee of 6% of the equalized assessed value for each additional unit that may be realized, except that this provision shall not be applicable to a development that will include affordable housing. If the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application. Example: If an approval allows four units to be constructed on a site that was zoned for two units, the fees could equal 1.5% of the equalized assessed value on the first two units; and 6% of the equalized assessed value for the two additional units, provided zoning on the site has not changed during the two-year period preceding the filing of such a variance application.

b. Eligible extractions, including extractions for residential developments.

1. Affordable housing developments and/or developments where the developer has made a payment in lieu of on-site construction of affordable units, if permitted by ordinance or by agreement with the Borough of Elmwood Park, shall be exempt from the payment of development fees.
2. Developments that have received preliminary or final site plan approval prior to the adoption of the Borough's initial development fee ordinance shall be exempt from the payment of development fees, unless the developer seeks a substantial change in the original approval. Where site plan approval does not apply, a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for this purpose. The fee percentage shall be vested on the date that the building permit is issued.
3. Owner-occupied residential structures demolished and replaced as a result of a fire, flood, or natural disaster shall be exempt from paying a development fee.
4. Development fees shall be imposed and collected when there is an addition to an existing structure, or when an existing structure undergoes a change to a more intense use or is demolished and replaced. The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.
5. No fee shall be charged pursuant to this section for any addition or improvement to an existing residential structure, so long as such addition or improvement does not increase the equalized assessed value of the existing structure, as of the date thereof, by more than fifty percent (50%).
6. Not-for-profit developers shall be exempt.

§37-2.5. Non-Residential Development Fees

a. Imposed Fees.

1. Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted, shall pay a fee equal to two and one-half (2.5) percent of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots.
2. Non-residential developers, except for developers of the types of development specifically exempted, shall also pay a fee equal to two and one-half (2.5) percent of the increase in equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.
3. Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of two and a half percent (2.5%) shall be calculated on the difference between the equalized assessed value of the pre-existing land and improvement and the equalized assessed value of the newly improved structure, i.e. land and improvement, at the time final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the non-residential development fee shall be zero.

b. Eligible exactions, ineligible exactions and exemptions for non-residential development.

1. The non-residential portion of a mixed-use inclusionary or market rate development shall be subject to the two and a half (2.5) percent development fee, unless otherwise exempted below.
2. The 2.5 percent fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within existing footprint, reconstruction, renovations and repairs.
3. Nonresidential developments shall be exempt from the payment of nonresidential development fees in accordance with the exemptions required pursuant to the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 8.7), as specified in Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption." Any exemption claimed by a developer shall be substantiated by that developer.
4. A developer of a nonresidential development exempted from the nonresidential development fee pursuant to the Statewide Non-Residential Development Fee Act shall be subject to the fee at such time as the basis for the exemption no longer applies, and shall make the payment of the nonresidential development fee, in that event, within three years after that event or after the issuance of the final certificate of occupancy for the nonresidential development, whichever is later.
5. If a property which was exempted from the collection of a nonresidential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within 45 days of the termination of the property tax exemption. Unpaid nonresidential development fees under these circumstances may be enforceable by the Borough of Elmwood Park as a lien against the real property of the owner.

§37-2.6. Collection procedures

- a. Upon the granting of a preliminary, final or other applicable approval for a development, the applicable approving authority or entity shall notify or direct its staff to notify the construction official responsible for the issuance of a building permit.
- b. For non-residential developments only, the developer shall also be provided with a copy of Form N-RDF "State of New Jersey Non-Residential Development Certification/Exemption" to be completed as per the instructions provided. The developer of a non-residential development shall complete Form N-RDF as per the instructions provided. The construction official shall verify the information submitted by the non-residential developer as per the instructions provided in the Form N-RDF. The Tax assessor shall verify exemptions and prepare estimated and final assessments as per the instructions provided in Form N-RDF.
- c. The construction official responsible for the issuance of a building permit shall notify the local tax assessor of the issuance of the first building permit for a development which is subject to a development fee.
- d. Within 90 days of receipt of that notice, the municipal tax assessor, based on the plans filed, shall provide an estimate of the equalized assessed value of the development.
- e. The construction official responsible for the issuance of a final certificate of occupancy shall notify the local assessor of any and all requests for the scheduling of a final inspection on property which is subject to a development fee.
- f. Within 10 business days of a request for the scheduling of a final inspection, the municipal assessor shall confirm or modify the previously estimated equalized assessed value of the improvements of the development; calculate the development fee; and thereafter notify the developer of the amount of the fee.
- g. Should the Borough of Elmwood Park fail to determine or notify the developer of the amount of the development fee within 10 business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with

the dispute process set forth in Subsection b. of Section 37 of P.L. 2008, c. 46 (N.J.S.A. 40:55D-8.6).

- h. Fifty percent of the development fee shall be collected at the time of issuance of the building permit. The remaining portion shall be collected at the time of issuance of the certificate of occupancy. The developer shall be responsible for paying the difference between the fee calculated at building permit and that determined at the issuance of the certificate of occupancy. No certificate of occupancy shall be issued to the developer until all remaining developer fees have been paid in full.
- i. Appeal of development fees
 - 1. A developer may challenge residential development fees imposed by filing a challenge with the County Board of Taxation. Pending a review and determination by the Board, collected fees shall be placed in an interest bearing escrow account by Millburn Township. Appeals from a determination of the Board may be made to the tax court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S.54:48-1 et seq., within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.
 - 2. A developer may challenge non-residential development fees imposed by filing a challenge with the Director of the Division of Taxation. Pending a review and determination by the Director, which shall be made within 45 days of receipt of the challenge, collected fees shall be placed in an interest bearing escrow account by Elmwood Park Borough. Appeals from a determination of the Director may be made to the tax court in accordance with the provisions of the State Tax Uniform Procedure Law, R.S.54:48-1 et seq., within 90 days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.

§37-2.7. Affordable Housing Trust Fund

- a. There is hereby created a separate, interest-bearing Housing Trust Fund to be maintained by the Chief Financial Officer for the purpose of depositing development fees collected from residential and nonresidential developers and proceeds from the sale of units with extinguished controls.
- b. The following additional funds shall be deposited in the Affordable Housing Trust Fund and shall at all times be identifiable by source and amount:
 - 1. Payments in lieu of on-site construction of affordable units collected in accordance with §37-1.4.e;
 - 2. Developer-contributed funds to make 10% of the adaptable entrances in a townhouse or other multistory attached dwelling unit development accessible;
 - 3. Rental income from municipally operated units;
 - 4. Repayments from affordable housing program loans;
 - 5. Recaptured funds;
 - 6. Proceeds from the sale of affordable units; and
 - 7. Any other funds collected in connection with the Borough of Elmwood Park's affordable housing program.
- c. In the event of a failure by the Borough of Elmwood Park to comply with trust fund monitoring and reporting requirements or to submit accurate monitoring reports; or a failure to comply with the conditions of the judgment of compliance or a revocation of the judgment of compliance; or a failure to implement the approved spending plan and to expend funds within the applicable required time period as set forth in *In re Tp. of Monroe*, 442 N.J. Super. 565 (Law Div. 2015) (aff'd 442 N.J. Super. 563); or the expenditure of funds on activities not approved by the Court; or for other good cause demonstrating the unapproved use(s) of funds, the Court may authorize the State of New Jersey, Department of Community Affairs, Division of Local Government Services ("LGS"), to direct the

manner in which the funds in the Affordable Housing Trust Fund shall be expended, provided that all such funds shall, to the extent practicable, be utilized for affordable housing programs within the Borough of Elmwood Park, or, if not practicable, then within the County.

1. Any party may bring a motion before the Superior Court presenting evidence of such condition(s), and the Court may, after considering the evidence and providing the municipality a reasonable opportunity to respond and/or to remedy the noncompliant condition(s), and upon a finding of continuing and deliberate noncompliance, determine to authorize LGS to direct the expenditure of funds in the Trust Fund. The Court may also impose such other remedies as may be reasonable and appropriate to the circumstances.
- d. All interest accrued in the Affordable Housing Trust Fund shall only be used to fund eligible affordable housing activities approved by the Court.

§37-2.8. Use of Funds

- a. The expenditure of all funds shall conform to a spending plan approved by the Superior Court. Funds deposited in the Affordable Housing Trust Fund may be used for any activity approved by the Court to address Elmwood Park Borough's fair share obligation and may be set up as a grant or revolving loan program. Such activities include, but are not limited to preservation or purchase of housing for the purpose of maintaining or implementing affordability controls; housing rehabilitation; new construction of affordable housing units and related costs; accessory apartments; a market to affordable program; regional housing partnership programs; conversion of existing nonresidential buildings to create new affordable units; green building strategies designed to be cost saving and in accordance with accepted national or state standards; purchase of land for affordable housing; improvement of land to be used for affordable housing; extensions or improvements of roads and infrastructure to affordable housing sites; financial assistance designed to increase affordability; administration necessary for implementation of the Housing Element and Fair Share Plan; and/or any other activity permitted by the Court and specified in the approved spending plan.

One-third of the affordability assistance portion of development fees collected shall be used to provide affordability assistance to those households earning 30% or less of the median income for Housing Region 1, in which Elmwood Park is located.
 1. Affordability assistance programs may include down payment assistance, security deposit assistance, low interest loans, rental assistance, assistance with homeowners' association or condominium fees and special assessments, and assistance with emergency repairs. The specific programs to be used for affordability assistance shall be identified and described within the spending plan.
 2. Affordability assistance to households earning 30% or less of median income may include buying down the cost of low- or moderate-income units in the municipal Fair Share Plan to make them affordable to households earning 30% or less of median income. The specific programs to be used for very-low-income affordability assistance shall be identified and described within the spending plan.
 3. Payments in lieu of constructing affordable housing units on site and funds from the sale of units with extinguished controls shall be exempt from the affordability assistance requirement.
- d. Elmwood Park Borough may contract with a private or public entity to administer any part of its Housing Element and Fair Share Plan, including its programs for affordability assistance.

- e. No more than 20% of all revenues collected from development fees may be expended on administration, including but not limited to salaries and benefits for municipal employees or consultants' fees necessary to develop or implement a new construction program, prepare a Housing Element and Fair Share Plan, and/or administer an affirmative marketing program or a rehabilitation program.

§37-2.10. Ongoing collection of fees

- a. The ability of Elmwood Park Borough to impose, collect and expend development fees shall be permitted through the expiration of the repose period covered by its judgment of compliance and shall continue thereafter so long as Elmwood Park Borough has filed an adopted Housing Element and Fair Share Plan with the Court or with a designated state administrative agency, has petitioned for a judgment of compliance from the Court or for substantive certification or its equivalent from a state administrative agency authorized to approve and administer municipal affordable housing compliance and has received approval of its development fee ordinance from the entity that will be reviewing and approving the Housing Element and Fair Share Plan.
- b. If the Borough of Elmwood Park fails to renew its ability to impose and collect development fees after the expiration of its judgment of compliance and repose, it may be subject to forfeiture of any or all funds remaining within its Affordable Housing Trust Fund. Any funds so forfeited shall be deposited into the "New Jersey Affordable Housing Trust Fund" established pursuant to Section 20 of P.L. 1985, c. 222 (N.J.S.A. 52:27D-320).

**ORDINANCE REPEALING AND REPLACING INCONSISTENCIES
FOUND IN SECTION 37-1, ET SEQ., “AFFORDABLE HOUSING
OBLIGATION” OF THE MUNICIPAL CODE OF THE BOROUGH
OF ELMWOOD PARK**

PURPOSE

It is the intent of the Mayor and Council of the borough of Elmwood Park to establish and clarify the Borough code to assure that low- and moderate-income units ("affordable units") are created with controls on affordability over time and that low- and moderate-income households shall occupy these units. This section shall apply excerpts where inconsistent with applicable law. This chapter will implement and incorporate the Housing Element and Fair Share Plan pursuant to the Municipal Land Use Law at N.J.S.A. 40:55D-1 et seq. ("Fair Share Plan"), in accordance with the Settlement Agreement entered into between the Borough and the Fair Share Housing Center ("FSHC") on March 8, 2018 and addresses the requirements of N.J.A.C. 5:93, as may be amended and supplemented.

§ 37-1 AFFORDABLE HOUSING OBLIGATION.

§ 37-1.1 General Provisions.

- a. This section is intended to assure that low- and moderate-income units ("affordable units") are created with controls on affordability over time and that low- and moderate-income households shall occupy these units. This section shall apply except where inconsistent with applicable law.
- b. This chapter implements and incorporates the Housing Element and Fair Share Plan pursuant to the Municipal Land Use Law at N.J.S.A. 40:55D-1 et seq. ("Fair Share Plan"), in accordance with the Settlement Agreement entered into between the Borough and the Fair Share Housing Center ("FSHC") on March 8, 2018 and addresses the requirements of N.J.A.C. 5:93, as may be amended and supplemented. The Settlement Agreement was found to be fair by the Honorable Christine A. Farrington, J.S.C. by order issued on July 30, 2018.
- c. Consistent with that Settlement Agreement, this chapter of the Borough Code sets forth regulations regarding the low- and moderate-income housing units in the Borough to fulfill the constitutional obligation to provide a realistic opportunity for the construction of its fair share of the regional need for affordable housing for low- and moderate-income households, the provisions known as the Substantive Rules of the New Jersey Council on Affordable Housing (“COAH rules”), N.J.A.C. 5:93 et seq., and the Uniform Housing Affordability Controls (“UHAC”), N.J.A.C. 5:80-26.1 et seq., except that the requirements for very-low-income affordable housing as established in P.L. 2008, c. 46 (the “Roberts Bill,” codified at N.J.S.A. 52:27D-329.1) shall supersede those of the UHAC.
- d.
- e. The Borough of Elmwood Park Planning Board adopted a Third Round Housing Element and Fair Share Plan on November 9, 2022 pursuant to the Municipal Land Use Law at N.J.S.A. 40:55D-1, et seq., the Settlement Agreement with Fair Share Housing Center, the Fair Housing Act, and applicable rules promulgated by the Council on Affordable Housing (COAH). This chapter implements that Housing Element and Fair Share Plan and addresses the requirements of N.J.A.C. 5:93, as may be amended and supplemented. On or about each anniversary of the Court’s filing of the Judgment of Compliance and Repose through the end of the period of Third Round Judgment of Repose (July 1, 2025), the Borough will provide annual reporting of the status of all affordable housing activity within the municipality through posting on the municipal website with a copy of such posting provided to all parties to the Borough’s Court-approved settlement agreements, using forms previously developed for this purpose by the Council on Affordable Housing or any other forms endorsed by the Special Master and FSHC. ”
- f. The Fair Housing Act includes two provisions regarding action to be taken by the Borough during the ten-year period of protection provided in the Borough’s agreement

with FSHC. The Borough agrees to comply with those provisions as follows:

1. At the time of a hearing for a Third Round Judgment of Compliance and Repose, the Borough may provide a realistic opportunity review consistent with the midpoint review provisions at N.J.S.A. 52:27D-313, which will consist of a status report as to its implementation of its plan and an analysis of whether any unbuilt sites or unfulfilled mechanisms continue to present a realistic opportunity. In the event the Court determines that a site or mechanism no longer presents a realistic opportunity and should be replaced or supplemented, then the municipality shall have the first opportunity to supplement or revise its plan to correct any deficiency.
2. Within 30 days of the third anniversary of the Judgment of Compliance and Repose, the Borough shall prepare a review of compliance with the very-low-income housing requirements required by N.J.S.A. 52:27D-329.1 and its settlement agreement with Fair Share Housing Center. The Borough will post on its municipal website, with a copy provided to FSHC, a status report as to its satisfaction of its very-low-income requirements, including the family very-low-income requirements referenced herein and in the Borough's settlement agreement with FSHC. Such posting shall invite any interested party to submit comments to the municipality and FSHC on the issue of whether the municipality has complied with its very-low-income housing obligation.

The reports shall be available to the public at the Borough of Elmwood Park Municipal Building, Municipal Clerk's Office, 182 Market Street, Elmwood Park, New Jersey.

- b. Notwithstanding the foregoing, the administrative agent may, upon approval by the Borough Committee, and subject to the Court's approval, permit a moderate-income purchaser to buy a low-income unit if and only if the administrative agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the housing region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low-income purchaser, including pricing and financing incentives, have failed. Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit.
- c. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the administrative agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.
- d. The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, taxes, homeowner and private mortgage insurance and condominium or homeowners' association fees, as applicable) does not exceed 33% of the household's certified monthly income.

[Ord. No. 10-16 § 11]

- a. Prior to incurring any indebtedness to be secured by a restricted ownership unit, the administrative agent shall determine in writing that the proposed indebtedness complies with the provisions of this section.
- b. With the exception of original purchase money mortgages, during a control period neither an owner nor a lender shall at any time cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95% of the maximum allowable resale price of that unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C. 5:80-26.6(b).

§ 37-1.13 Control Periods for Restricted Rental Units.

- a. Control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.11, as may be amended and supplemented, and each restricted rental unit shall remain subject to the controls on affordability for a period of at least 30 years, until the municipality takes action to release the controls on affordability. The deed restriction shall have priority over all mortgages on the property, and the deed restriction shall be filed by the developer or seller with the records office of the County of Bergen. A copy of the filed document shall be provided to the Administrative Agent within 30 days of the receipt of a Certificate of Occupancy.
- c. A restricted rental unit shall remain subject to the affordability controls of this section, despite the occurrence of any of the following events:

A copy of the current lease for each restricted rental unit shall be provided to the Administrative Agent.
- b. No additional fees or charges shall be added to the approved rent (except, in the case of units in an assisted living residence, to cover the customary charges for food and services)

without the express written approval of the Administrative Agent.

- c. Application fees (including the charge for any credit check) shall not exceed 5% of the monthly rent of the applicable restricted unit and shall be payable to the Administrative Agent to be applied to the costs of administering the controls applicable to the unit as set forth in this section.

§ 37-1.15 Tenant Income Eligibility.

- a. Tenant income eligibility shall be in accordance with N.J.A.C. 5:80-26.13, as may be amended and supplemented, and shall be determined as follows:

 3. Moderate-income rental units shall be reserved for households with a gross household income less than 80% of median income.
- b. The Administrative Agent shall certify a household as eligible for a restricted rental unit when the household is a very low-income, low-income household or a moderate-income household, as applicable to the unit, and the rent proposed for the unit does not exceed 35% (40% for age-restricted units) of the household's eligible monthly income as determined pursuant to N.J.A.C. 5:80-26.16, as may be amended and supplemented; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:

 3. The household is currently in substandard or overcrowded living conditions;
 4. The household documents the existence of assets with which the household proposes to supplement the rent payments; or
 5. The household documents proposed third-party assistance from an outside source such as a family member in a form acceptable to the Administrative Agent and the owner of the unit.

§ 37-1.20 Enforcement of Affordable Housing Regulations.
[Ord. No. 10-16 § 16]

- a. Upon the occurrence of a breach of any of the regulations governing the affordable unit by an owner, developer or tenant the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
- b. After providing written notice of a violation to an owner, developer or tenant of a low- or moderate-income unit and advising the owner, developer or tenant of the penalties for such violations, the municipality may take the following action against the owner, developer or tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 - 1. The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the owner, developer or tenant is found by the court to have violated any provision of the regulations governing affordable housing units the owner, developer or tenant shall be

subject to one or more of the following penalties, at the discretion of the court:

- (a) A fine of not more than the penalty provided for in Chapter 1, Section 1-5, or imprisonment for a period not to exceed 90 days, or both. Each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not as a continuing offense;
 - (b) In the case of an owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Borough of Elmwood Park Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - (c) In the case of an owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the court.
2. The municipality may file a court action in the Superior Court seeking a judgment, which would result in the termination of the owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low- and moderate-income unit.
- c. Such judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the low- and moderate-income unit of the violating owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
 - d. The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as aforesaid, the violating owner shall be personally responsible for and to the extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the owner shall make a claim with the municipality for such. Failure of the owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the owner or forfeited to the municipality.
 - e. Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
 - f. If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the low- and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.
 - g. Failure of the low- and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the owner to accept an offer to purchase from any qualified purchaser which may be referred to the owner by the municipality, with such

offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.

- h. The owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the owner.

§ 37-1.21 Appeals.

Appeals from all decisions of an Administrative Agent designated pursuant to this section shall be filed in writing with the Borough Clerk of the Borough of Elmwood Park.
