**BOROUGH OF ELMWOOD PARK
ORDINANCE 13-24**

AN ORDINANCE TO AMEND Chapter IX of the Code of the Borough of Elmwood Park, titled "Personnel Policies" by adding a new section 9-5 to be titled "Time Due".

NOW THEREFORE BE IT ORDAINED by the Mayor and Council of the Borough of Elmwood Park as follows that a new ordinance section 9-5 entitled "Time Due" shall be enacted setting forth the policy for receiving time due between the members of the police department and the Borough.

Section 1.

The Fair Labor Standards Act (FLSA) entitles non-exempt employees to overtime compensation at a rate of one and one-half times the employee's regular rate of pay, for all hours worked in excess of 40 hours per week.

It is the policy of the Borough of Elmwood Park that employees in the police department may elect to receive "time due" in the form of time off at a rate of one and one-half times the hours worked in lieu of receiving payment in cash or compensatory time.

Time due shall entitle the officer to an equivalent time off but shall not entitle the employee to any future compensation in the form of cash or payment upon retirement or under any other circumstance.

Time due shall be available to employees at the discretion of the Chief of Police, and can be designated for any hours that would have been approved as overtime. In addition, time due can be sought for the following:

- 1) To attend training on employees off hours or regular schedule day off.
- 2) Enforcement and/or investigative details as coordinated and approved by the Captain of the division.
- 3) Pistol range activities.
- 4) Mandated in-service seminars.
- 5) Any other hours worked with the approval of the Chief of Police or his designee.

Section 2. If any part of this Ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this Ordinance.

Section 3. All ordinances or parts of ordinances inconsistent with this Ordinance are hereby repealed or amended to the extent of such inconsistency.

Section 4. This Ordinance shall take effect upon final passage and publication according to law.

Said acquisition shall be made as a general improvement and no part of the cost thereof shall be assessed against property specially benefitted.

Section 3. It is hereby determined and stated that (1) said purpose is not a current expense of said Borough, and (2) it is necessary to finance said purpose by the issuance of obligations of said Borough pursuant to the Local Bond Law (Chapter 2 of Title 40A of the New Jersey Statutes Annotated, as amended; the "Local Bond Law"), and (3) the total estimated cost of said purpose is \$86,500, and (4) \$4,200 of said sum is to be provided by the down payment hereinafter appropriated to finance said purpose, and (5) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$82,300, and (6) the cost of such purpose, as hereinbefore stated, includes the aggregate amount of \$5,000 which is estimated to be necessary to finance the cost of such purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 20 of the Local Bond Law.

Section 4. The sum of \$4,200 is hereby appropriated from such moneys to the payment of the cost of said purpose.

Section 5. To finance said purpose, bonds of said Borough of an aggregate principal amount not exceeding \$82,300 are hereby authorized to be issued pursuant to the Local Bond Law. Said bonds shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 6. To finance said purpose, bond anticipation notes of said Borough of an aggregate principal amount not exceeding \$82,300 are hereby authorized to be issued pursuant to the Local Bond Law in anticipation of the issuance of said bonds. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section, the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Councilman Colletti stated that alternate side of the street parking has been considered in the past. Mr. Freitag also addressed the issue of yard waste containers being left in the street by Department of Public Works employees. Mr. Freitag mentioned that many employees of Gantner Avenue School also park on the residential streets due to lack of space in the school's parking lot. He stated that alternate side of the street parking would also help out near the school for maintenance. Councilman Conboy discussed some of the issues Mr. Freitag inquired about regarding parking and televisions that residents are leaving out on the curb. Councilman Castiglia discussed his experience speaking with residents regarding alternate side of the street parking and stated every area has different needs and it would be difficult to make the entire Borough with alternate side parking regulations.

Richard Trawinski, Walnut Street, discussed an ordinance that is on the books which states that landlords need to supply tenants with off street parking. He further discussed that this is not a widely known ordinance and suggested that it be stated at meetings to get the information out to the residents. Mr. Trawinski commended the Police Department's response to an incident at his residence. Mr. Trawinski inquired if the Library Board has a capital plan for the Library extension. Council President Colletti stated that the Library is moving forward and perusing plans for the capital improvements. Mr. Trawinski then discussed the proposed paving of the parking lot in the past, the lack of a capital plan submitted to the state, and the recommendation in which 20% of surplus could be returned to the Borough as tax relief.

A motion was made by Councilman Conboy and seconded by Councilman Castiglia to adjourn the meeting. Motion carried by the members present.

Respectfully submitted,

Keith Kazmark, RMC/CMC/MMC
