WHEREAS, the Borough Council of the Borough of Elmwood Park has heretofore authorized the undertaking of streetscape improvements to Market Street (from Beech Street to Boulevard) in, by and for said Borough and appropriated the sum of \$687,000 therefor pursuant to ordinance no. 13-21 adopted by the Borough Council of said Borough on August 15, 2013; and

WHEREAS, the Borough Council now finds and determines that the additional sum of \$107,200 is required for such purpose and the extension of such improvements on Market Street to the railroad right-of-way, NOW, THEREFORE,

BE IT ORDAINED by the Borough Council of the Borough of Elmwood Park, in the County of Bergen, New Jersey (the "Borough"), as follows:

Section 1. The additional sum of \$107,200 is hereby appropriated to the payment of the cost of (i) the purpose (streetscape improvements to Market Street (from Beech Street to Boulevard)) authorized by ordinance no. 13-21 adopted by the Borough Council of the Borough on August 15, 2013 (the "Prior Ordinance") and (ii) the extension of such improvements on Market Street to the railroad right-of-way hereby authorized (collectively, the "purpose" or the "improvement"). Said additional appropriation shall be met from the proceeds of the sale of the bonds authorized by this ordinance. No down payment is required pursuant to the provisions of N.J.S.A. 40A:2-11(c) because this ordinance involves a project to be funded by a State grant. It is anticipated that a grant in the amount of \$584,000 from the New Jersey Department of Transportation shall be received by the Borough to finance the cost of the improvement. Said improvement has been and shall be made as a general improvement and no part of the cost thereof has been nor shall be assessed against property specially benefited.

Section 2. It is hereby determined and stated that (1) the making of such improvement is not a current expense of said Borough, and (2) it is necessary to finance said purpose by the issuance of obligations of said Borough pursuant to the Local Bond Law (Chapter 2 of Title 40A of the New Jersey Statutes Annotated, as amended; the "Local Bond Law"), and (3) the estimated cost of said purpose is \$794,200, including the sum of \$687,000 appropriated by the Prior Ordinance and the \$107,200 appropriated by this ordinance, and (4) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$794,200, including the \$687,000 authorized by the Prior Ordinance and the \$107,200 hereinafter authorized, and (5) the additional cost of such purpose includes the aggregate amount of \$129,500, including the sum of \$103,000 stated in the Prior Ordinance and the sum of \$26,500 hereby stated, which is estimated to be necessary to finance the cost of such purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 20 of the Local Bond Law.

Section 3. To finance said purpose, bonds of said Borough of an aggregate principal amount not exceeding \$107,200 are hereby authorized to be issued pursuant to the Local Bond Law. Said bonds shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 4. To finance said purpose, bond anticipation notes of said Borough of an aggregate principal amount not exceeding \$107,200 are hereby authorized to be issued pursuant to the Local Bond Law in anticipation of the issuance of said bonds. In the event that bonds are issued

pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section, the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Section 5. Each bond anticipation note issued pursuant to this ordinance shall be dated on or about the date of its issuance and shall be payable not more than one year from its date, shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law and may be renewed from time to time pursuant to and within limitations prescribed by the Local Bond Law. Each of said notes shall be signed by the Mayor and by a financial officer and shall be under the seal of said Borough and attested by the Borough Clerk or Deputy Borough Clerk. Said officers are hereby authorized to execute said notes in such form as they may adopt in conformity with law. The power to determine any matters with respect to said notes not determined by this ordinance and also the power to sell said notes, is hereby delegated to the Chief Financial Officer who is hereby authorized to sell said notes either at one time or from time to time in the manner provided by law.

Section 6. It is hereby determined and declared that the period of usefulness of said purpose, according to its reasonable life, is a period of ten years computed from the date of said bonds.

Section 7. It is hereby determined and stated that the Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the office of the Borough Clerk of said Borough, and that such statement so filed shows that the gross debt of said Borough, as defined in Section 43 of the Local Bond Law, is increased by this ordinance by \$107,200 and that the issuance of the bonds and notes authorized by this ordinance will be within all debt limitations prescribed by the Local Bond Law.

Section 8. Any funds received from private parties, the County of Bergen, the State of New Jersey or any of their agencies or any funds received from the United States of America or any of its agencies in aid of such purpose, shall be applied to the payment of the cost of such purpose, or, if bond anticipation notes have been issued, to the payment of the bond anticipation notes, and the amount of bonds authorized for such purpose shall be reduced accordingly.

Section 9. The Borough intends to issue the bonds or notes to finance the cost of the improvement authorized by the Prior Ordinance and this ordinance, as described herein. A motion was made by Councilman Colletti and seconded by Councilman Chirido to open the floor for public comment on Ordinance 16-14. Motion carried unanimously. No one wished to be heard. Council President Vuoncino closed the public portion.

Councilman Dombrowski stated he was voting no due to the \$240,000 cost for a large dump truck for the Department of Public Works. He feels the need for a truck that size has not been justified. Councilman Chirido discussed how the truck would benefit the Borough. He used the past storm and all the debris that was left in the roadways as an example to his statement. Councilman Colletti stated the Mayor and Council had extensive discussions regarding the equipment that was requested by the Superintendent of Public Works. He further stated the larger truck will reduce the number of trips to the DPW yard when completing a job. Councilwoman Giandomenico also discussed the venting the Council did in response to the request before deciding to move forward with the purchase.
