CASH MANAGEMENT PLAN

BE IT RESOLVED, the Mayor and Council of the Borough of Elmwood Park that the following Cash Management Plan as submitted by the Chief Financial Officer, be and the same is hereby approved.

Objective

The purpose of the Cash Management Plan (“the Plan”) is to provide the Borough of Elmwood Park (“the Borough”) with maximized current interest income earnings that are consistent with providing liquidity and the preservation of principal. This plan is in compliance with the requirements of N.J.S.A. 40A:5-14, which regulates investments by county and local government units and is administered by the NJ Division of Local Government services.

The Plan establishes the policies and administrative framework regarding cash flow budgeting, investments and financial institutions including banks and joint government investment programs as permitted by N.J.S.A. 60a:5-15.a and P.L. 1997, Chapter 148 enacted June 30, 1997.

Cash Flow Budgeting

The Plan acknowledges that an accurate cash flow budget is prerequisite to the effective management and utilization of the Borough’s cash balances.

Prior to the beginning of each budget year the Borough Treasurer/CFO shall cause to be prepared a monthly projection of all anticipated receipts and disbursements for the major operating accounts of the Borough of Elmwood Park for the coming year.

The information derived from the cash flow projections will be utilized by the Treasurer/CFO in designating an investment strategy that is consistent with the projections.

The anticipated cash requirements as evidenced by the projections when considered in conjunction with current and projected market trends for interest rates shall be used to construct an appropriate investment portfolio matrix. The portfolio shall be at all times cognizant of cash needs and market conditions as evidenced by the yield curve of eligible investment instruments.

In all cases of relationship with financial institutions, the Treasurer/CFO shall be aware, through the utilization of an external rating source, that the total amount of funds on deposit or invested with any single institution will be in accordance with parameters adopted annually to establish limits for deposit concentration among designated depositories.

The Borough reserves the right to reject quotations and withhold deposits from any institutions deemed by the Treasurer/CFO, based on data from the rating service, to be a financial risk.

Banking Relationships

The Borough acknowledges that banking relationships help the foundations upon which an effective and efficient cash management program is constructed.

Relationships that involve the provision of specialized or customized services that the Borough deems essential should be evidenced in writing and should include information regarding fees and charges as well as methodology used to compensate the bank providing these services.

As required to implement the Plan, the Borough Treasurer/CFO is authorized to establish account relationships with designated depositories on the Treasurers/CFO's signature in accordance with the Borough's Administrative code to securely, efficiently, and expeditiously move funds amount the depositories accordingly, of certain employees that should be authorized to effect transfers between accounts and to affect investment on behalf of the Borough. Any Bank providing documentation of qualification under the Government Unit Deposit Protection Act and having an office in the Borough of Elmwood Park shall be designated depository for the Borough Funds. However, the decision as to which bank shall receive those funds and in what concentration shall be made in accordance with guidelines adopted by the Borough based on information supplied by the external rating agency service utilized by the Borough to insure maximum safety of those funds.

To assure that the Borough is receiving fair and competitive value from its relationships, the Borough Treasurer/CFO will undertake, at least annually, a review and analysis of relationships. The review shall include, but not be limited to, an analysis of balances, fees and charges, services provided, earnings credited and interest rates paid or allowed on accounts maintained by the Borough. Further, the Borough Treasurer/CFO shall examine at least twice each year the services offered and the charges and rates available for the provision thereof in the banking community to insure a competitive atmosphere for the acquisition of the state of the art services for the Borough.

Reports

Annually, or at the discretion of the council, with concurrence with the Treasurer/CFO, shall prepare a report for the Governing Boy which shall include a summary of all investment activity as well as a compilation of deposits by depository and account number. The report shall include all new accounts established, if any.
