BE IT ORDAINED by the Borough Council of the Borough of Elmwood Park, in the County of Bergen, State of New Jersey, as follows:

Section 1. The Borough of Elmwood Park, in the County of Bergen, State of New Jersey (the "Borough") is hereby authorized to replace water lines at various locations in, by and for the Water Utility of the Borough. Said improvements shall include all work, materials and appurtenances necessary and suitable therefor.

Section 2. The sum of \$270,000 is hereby appropriated to the payment of the cost of making the improvements described in Section 1 hereof (hereinafter referred to as "purpose"). Said appropriation shall be met from the proceeds of the sale of the bonds authorized by this ordinance. No down payment is required for this bond ordinance pursuant to the provisions of N.J.S.A. 40A:2-11(c) and 40A:2-7(h). Said improvements shall be made as general improvements and no part of the cost thereof shall be assessed against property specially benefited.

Section 3. It is hereby determined and stated that (1) said purpose is not a current expense of said Borough, and (2) it is necessary to finance said purpose by the issuance of obligations of said Borough pursuant to the Local Bond Law (Chapter 2 of Title 40A of the New Jersey Statutes Annotated, as amended; the "Local Bond Law"), and (3) the estimated cost of said purpose is \$270,000, and (4) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$270,000, and (5) the cost of such purpose, as hereinbefore stated, includes the aggregate amount of \$20,000 which is estimated to be necessary to finance the cost of such purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 20 of the Local Bond Law.

Section 4. It is hereby determined and stated that the Water Utility would have been self-liquidating, as defined in Section 47(a) of the Local Bond Law, during the fiscal year beginning January 1, 2017, had there been included in the interest and debt redemption charges for such year an amount equal to interest for one year at the rate of four and one half percentum (4½%) per annum on said bonds or notes, and the amount of the first installment of serial bonds legally issuable to finance such purpose plus an amount for charges as aforesaid with respect to all bonds and notes authorized but not issued for such Water Utility.

Section 5. To finance said purpose, bonds of said Borough of an aggregate principal amount not exceeding \$270,000 are hereby authorized to be issued pursuant to the Local Bond Law. Said bonds shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 6. To finance said purpose, bond anticipation notes of said Borough of an aggregate principal amount not exceeding \$270,000 are hereby authorized to be issued pursuant to the Local Bond Law in anticipation of the issuance of said bonds. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section, the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Section 7. Each bond anticipation note issued pursuant to this ordinance shall be dated on or about the date of its issuance and shall be payable not more than one year from its date, shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law and may be renewed from time to time pursuant to and within limitations prescribed by the Local Bond Law. Each of said bond anticipation notes shall be signed by the Mayor and by a financial officer and shall be under the seal of said Borough and attested by the Borough Clerk or Deputy Borough Clerk. Said officers are hereby authorized to execute said notes in such form as they may adopt in conformity with law. The power to determine any matters with respect to said notes not determined by this ordinance and also the power to sell said notes, is hereby delegated to the Chief Financial Officer who is hereby authorized to sell said notes either at one time or from time to time in the manner provided by law.

Section 8. It is hereby determined and declared that the period of usefulness of said purpose, according to its reasonable life, is a period of forty years computed from the date of said bonds.

Section 9. It is hereby determined and stated that the Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the office of the Borough Clerk of said Borough, and that such statement so filed shows that the gross debt of said Borough, as defined in Section 43 of the Local Bond Law, is increased by this ordinance by \$270,000, but said \$270,000 shall be deducted from gross debt pursuant to Section 44(c) of the Local Bond Law and that the issuance of the bonds and notes authorized by this ordinance is permitted by an exception to the debt limitations prescribed by the Local Bond Law as provided in Sections 47(a) and 7(h) of the Local Bond Law.

Section 10. Any funds received from private parties, the County of Bergen, the State of New Jersey or any of their agencies or any funds received from the United States of America or any of its agencies in aid of such purpose shall be applied to the payment of the cost of such purpose, or, if bond anticipation notes have been issued, to the payment of the bond anticipation notes, and the amount of bonds authorized for such purpose shall be reduced accordingly.

Section 11. The capital budget is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency therewith and the resolutions promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director, Division of Local Government Services, is on file with the Borough Clerk and is available for public inspection.

Section 12. The Borough intends to issue the bonds or notes to finance the cost of the improvements described in Section 1 of this bond ordinance. If the Borough incurs such costs prior to the issuance of the bonds or notes, the Borough hereby states its reasonable expectation to reimburse itself for such expenditures with the proceeds of such bonds or notes in the maximum principal amount of bonds or notes authorized by this bond ordinance.

Section 13. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this ordinance. Said obligations shall be direct, unlimited and general obligations of the Borough, and the Borough shall levy ad valorem taxes upon all the taxable real property within the Borough for the payment of the principal of and interest on such bonds and notes, without limitations as to rate or amount.

Section 14. This ordinance shall take effect twenty days after the first publication thereof after final passage.

RESOLUTION R-230-18**

**CONSENT AGENDA**

**RESOLUTION BY: COUNCILMAN DOMBROWSKI  
SECONDED BY: COUNCILWOMAN PELLEGRINE**

**RESOLUTION URGING THE LEGISLATURE TO AMEND  
A-716, S-477 & S-1766**

**WHEREAS**, while it is commendable that legislation is being considered to provide additional compensation to Firefighters with cancer, S-716 as currently written, without responsible amendments, will prove to be very expensive to municipalities and taxpayers; and

**WHEREAS**, while it is also commendable that the statute of limitations is being extended for claims involving sexual abuse, S-477 as currently written would eliminate the statute of limitations entirely leaving officials and volunteers with the near impossible task of defending a claim that is decades old; and

**WHEREAS**, under current law family members can already collect substantial compensation for actual losses such as medical bills, lost income as well as loss of companionship; and

**WHEREAS**, without appropriate amendments, the combined impact of these bills would devastate local government insurance budgets at a time when the local taxpayers are being squeezed because of changes in Federal Tax Code;

**NOW THEREFORE BE IT RESOLVED**, by the Mayor and Council of the Borough of Elmwood Park that:

- ❖ S-716 be amended to provide that the cancer presumption be limited to types of cancer that scientific evident establishes that Firefighters develop at a higher rate than the general public, and
- ❖ S-716 be amended to end the presumption at age 65 when the firefighter becomes eligible for Medicare. Alternatively, S-716 should be amended to remove volunteers and establish a special program for them along the lines recently adopted by New York, Connecticut, Michigan, Colorado and Georgia, and
- ❖ S-716 also be amended so that the standard to rebut the presumption remain at the current "preponderance of the evidence"; and
- ❖ S-477 be amended to increase statute of limitation on claims involving sexual molestation against public entities to 7 years, subject to no limitation against the molester; and
- ❖ S-1766 be amended to remove public entities from "emotional distress" compensation for wrongful death claims subject to Title 59; and

**BE IT FURTHER RESOLVED**, that a copy of this resolution be forwarded to Governor, the legislative delegation in the 35<sup>th</sup> District, the Senate President and the Speaker of the Assembly.
