BE IT ORDAINED by the Borough Council of the Borough of Elmwood Park, in the County of Bergen, State of New Jersey, as follows:

Section 1. The Borough of Elmwood Park, in the County of Bergen, State of New Jersey (the "Borough"), is hereby authorized to undertake streetscape improvements to Mola Boulevard (Phase 2 - from Philip Avenue to Broadway), including installation of decorative lighting, replacement of curbs and sidewalks and construction of ADA compliant sidewalk ramps in, by and for the Borough. Said improvements shall include all work, materials and appurtenances necessary and suitable therefor.

Section 2. The sum of \$1,010,000 is hereby appropriated to the payment of the cost of making the improvements described in Section 1 of this ordinance (hereinafter referred to as "purpose"). Said appropriation shall be met from the proceeds of the sale of the bonds authorized by this ordinance. No down payment is required pursuant to the provisions of N.J.S.A. 40A:2-11(c) because this ordinance involves a project to be funded by a State grant. It is anticipated that a grant in the amount of \$232,992 from the State of New Jersey Department of Transportation shall be received by the Borough to finance the cost of the improvements described in Section 1 hereof. Any of said grant funds so received shall be applied as set forth in Section 9 hereof. Said improvements shall be made as general improvements and no part of the cost thereof shall be assessed against property specially benefitted.

Section 3. It is hereby determined and stated that (1) said purpose is not a current expense of the Borough, (2) it is necessary to finance said purpose by the issuance of obligations of the Borough pursuant to the Local Bond Law (Chapter 2 of Title 40A of the New Jersey Statutes Annotated, as amended; the "Local Bond Law"), (3) the estimated cost of said purpose is \$1,010,000, (4) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$1,010,000, and (5) the cost of said purpose, as hereinbefore stated, includes the aggregate amount of \$500,000, which is estimated to be necessary to finance the cost of said purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 20 of the Local Bond Law.

Section 4. To finance said purpose, bonds of the Borough of an aggregate principal amount not exceeding \$1,010,000 are hereby authorized to be issued pursuant to the Local Bond Law. Said bonds shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 5. To finance said purpose, bond anticipation notes of the Borough of an aggregate principal amount not exceeding \$1,010,000 are hereby authorized to be issued pursuant to the Local Bond Law in anticipation of the issuance of said bonds. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section, the moneys raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Section 6. Each bond anticipation note issued pursuant to this ordinance shall be dated on or about the date of its issuance, shall be payable not more than one year from its date, shall bear interest at a rate per annum as may be hereafter determined within the limitations prescribed by law and may be renewed from time to time pursuant to and within limitations prescribed by the Local Bond Law. Each of said notes shall be signed by the Mayor and by a financial officer and shall be under the seal of the Borough and attested by the Borough Clerk or Deputy Borough Clerk. Said officers are hereby authorized to execute said notes and to issue said notes in such form as they may adopt in conformity with law. The power to determine any matters with respect to said notes not determined by this ordinance, and also the power to sell said notes, is hereby delegated to the Chief Financial Officer who is hereby authorized to sell said notes either at one time or from time to time in the manner provided by law.

Section 7. It is hereby determined and declared that the period of usefulness of said purpose, according to its reasonable life, is a period of ten years computed from the date of said bonds.

Section 8. It is hereby determined and stated that the Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the office of the Borough Clerk of the Borough, and that such statement so filed shows that the gross debt of the Borough, as defined in Section 43 of the Local Bond Law, is increased by this ordinance by \$1,010,000 and that the issuance of the bonds and notes authorized by this ordinance will be within all debt limitations prescribed by the Local Bond Law.

Section 9. Any funds received from private parties, the County of Bergen, the State of New Jersey or any of their agencies or any funds received from the United States of America or any of its agencies in aid of said purpose shall be applied to the payment of the cost of said purpose or, if bond anticipation notes have been issued, to the payment of the bond anticipation notes, and the amount of bonds authorized for said purpose shall be reduced accordingly.

Section 10. The capital budget is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency therewith and the resolutions promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director, Division of Local Government Services, is on file with the Borough Clerk and is available for public inspection.

Section 11. The Borough intends to issue the bonds or notes to finance the cost of the improvements described in Section 1 of this ordinance. If the Borough incurs such costs prior to the issuance of such bonds or notes, the Borough hereby states its reasonable expectation to reimburse itself for such expenditures with the proceeds of such bonds or notes in the maximum principal amount of bonds or notes authorized by this ordinance.

Section 12. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and interest on the obligations authorized by this ordinance. Said obligations shall be direct, unlimited and general obligations of the Borough, and the Borough shall levy ad valorem taxes upon all the taxable real property within the Borough for the payment of the principal of and interest on such bonds and notes, without limitation as to rate or amount.

Section 13. This ordinance shall take effect twenty days after the first publication thereof after final passage.
